Greetings,

There has been an error in the processing of the tax forms related to prize winnings won at Chukchansi Gold Resort & Casino for 2016. The company assisting us with the process sent out IRS 1099-G forms for the winnings. As soon as we learned of the mistake, we sent out the correct forms for prize winnings, IRS Form 1099-MISC. Such prize winnings won at Chukchansi will appear in Box 3 of the recently sent 1099-MISC.

Please disregard the 1099-G Forms that have been erroneously sent.

Sincerely,

Daryl C. Gagliardi, CPA
