Get ready to experience an electrifying fusion of musical talent as two legendary bands, Los Lobos and Los Lonely Boys, come together at Chukchansi Gold Resort & Casino as part of their unforgettable co-headlining tour, aptly titled "The Brotherhood Tour." This tour promises to be a celebration of culture, camaraderie, and the unifying power of music. Audiences can expect an evening filled with passionate performances, infectious rhythms, and moments that resonate long after the final note is played.

Since they began as Los Lobos Del Este Los Angeles in 1973, Los Lobos has evolved into an artistic entity using eclectic musical molds built on the blues, rockabilly, jazz, Latin and their own Mexican-American heritage. Los Lobos has thrived for more than five decades. In that time, they have performed 100+ gigs a year, crossing millions of miles to rock millions of fans, recorded 17 studio albums, seven live LPs, three compilations, two EPs, two DVDs, and won four GRAMMY® Awards, amongst many other accolades and honors.

Co-headlining the tour are the GRAMMY® Award-winning multiplatinum San Angelo, Texas trio Los Lonely Boys. Brothers Henry Garza [vocals, guitar], Jojo Garza [bass, vocals] and Ringo Garza [drums] have welcomed audiences into their family with open arms since emerging back in 1996. Scaling one mountain at a time, they have summited unprecedented heights. 2004's seminal self-titled, Los Lonely Boys, reached double-Platinum status and yielded the Gold-certified generational smash "Heaven," which cracked the Top 20 of the Billboard Hot 100 and notched a GRAMMY® Award in the category of "Best Performance by a Duo or Group with Vocal." In its wake, Sacred bowed at #2 on the Billboard 200, paving the way for fan favorites Forgiven [2008], Rockpango [2011], and Revelation [2013]. Along the way, they collaborated with legends such as Santana, Willie Nelson, and Dr. John in addition to performing everywhere from the World Series to CMT's Crossroads.

### **Chris Janson**

Chris Janson, proud member of the Grand Ole Opry and multi-platinum songwriter and artist, is part of country's new breed. In touch with the lighter side of life with self-penned No. 1s "Fix A Drink," "Good Vibes," and the triple Platinum "Buy Me A Boat," as well as the more thoughtful truths of "Done," "Things You Can't Live Without," and the CMA Song of the Year nominee and ACM Video of the Year "Drunk Girl." Both "Boat" and "Girl" were named to the Nashville Songwriters Association International's prestigious "Songs I Wish I'd Written" list, which is why artists like Tim McGraw, Justin Moore, Cody Johnson, and the iconic Hank Williams Jr. reach for Janson's songs for their own projects. Beyond his artistry are his live shows, where all that heart-on-the-four-wheeler songwriting meets the fans where they come to rock. Rolling Stone proclaimed him "a live legacy in the making," and Janson is a frequent presence at the nation's biggest country festivals, tours, and unexpected sit-ins. Making music from his own life has established the harmonica-forward multi-instrumentalist as the go-to guy for young country for the last decade.
