## **CHUKCHANSI GOLD RESORT & CASINO RECEIVES AAA'S CELEBRATED FOUR DIAMOND DESIGNATION FOR FIFTH CONSECUTIVE YEAR**

*Chukchansi Gold Proud to be One of Central Valley's Only AAA Four Diamond Resorts*

**COARSEGOLD, Calif. – July 15, 2024** – For the fifth consecutive year, Chukchansi Gold Resort & Casino has received AAA's coveted Four Diamond rating. By AAA's standards, hotels at this level are committed to providing every guest with a high degree of hospitality and attentive service in upscale surroundings with an extensive array of amenities and guest services.

With this designation, Chukchansi Gold Resort & Casino is part of a select group representing the top tier of the hospitality industry in North America. Nestled near the majestic Yosemite National Park, Chukchansi Gold Resort & Casino brings the beauty of the Sierra foothills into a world-class destination resort with fine dining, heart-pounding entertainment, premier gaming and stunning accommodations.

To be included in the AAA Diamond Program, properties must pass an unannounced, on-site evaluation. Properties aren't told in advance of the inspector's arrival to ensure a typical guest experience, strengthening the program's intent to give travelers a reliable way to find hotels and restaurants that meet AAA's quality standards. Hotels and restaurants are rated and assigned a designation of either Approved, Three Diamond, Four Diamond or Five Diamond. More Diamonds indicate more elaborate surroundings and attention from service staff.

"AAA represents the pinnacle of excellence in the hospitality realm," said Berk Evrensel, Director of Hospitality at Chukchansi Gold Resort & Casino. "Achieving this respected accolade for the fifth consecutive year is a remarkable accomplishment for our committed team members who are wholly dedicated to providing exceptional guest experiences every day."
