COARSEGOLD, CA – August 1, 2024 – Nativos at Chukchansi Gold Resort & Casino has been recognized by OpenTable as a 2024 Diners' Choice winner, marking it as one of the best restaurants in the Central Valley.

"I am deeply honored that Nativos has been recognized with OpenTable's Diners' Choice Award," said Nativos' Chef Sam Butler. "It's a testament to the hard work and dedication of our entire team, who consistently prioritize guest experience and cooking excellent food. Our all-around team effort has truly paid off, and it's moments like these that make all the effort worthwhile." Reflecting on his culinary journey, Chef Butler shared, "I've been here for 18 years and started my culinary career at 16 years old in small mountain-area restaurants. I joined Nativos when the casino opened and have had the privilege to relaunch and now lead the restaurant. It's been an incredible journey."

Nativos offers a relaxed ambiance, vibrant bar scene and alfresco dining on the terrace, where guests can savor signature cocktails such as the Italian Margarita and Strawberry Basil Smash, along with a variety of boutique wines by the glass.
