The Frankenstein slot machine is a recent addition to Chukchansi's expansive casino floor and has quickly become a guest favorite due to its innovative features and spooky fun theme inspired by Mary Shelley's iconic monster. This win is the largest jackpot recorded on the machine to date at Chukchansi Gold.

"This is what Chukchansi Gold is all about—creating unforgettable moments," said Deann Kamalani, marketing director for Chukchansi Gold Resort & Casino. "We're thrilled to celebrate our Rewards Club member's tremendous win and look forward to more jackpot celebrations ahead. It's always a joy to see our guests rewarded for their loyalty."

Chukchansi Rewards Club members can unlock an incredible gaming, dining and entertainment adventure at the resort. With the Chukchansi Rewards Card more powerful than ever, points are worth twice as much as any other local casino. Rewards Club members can use their card while playing slots and table games to earn points for Chukchansi's first-class dining and accommodations, extended gaming, merchandise and eCASH. Chukchansi's Rewards tiers can't be matched.

With an incredible 73,000 square feet of gaming, 2,000 slot machines and 40 table games – including progressive table games – Chukchansi Gold Resort & Casino is one of California's most exciting gaming destinations.
