COARSEGOLD, CA (March 24, 2024) – [Chukchansi Gold Resort & Casino](#) is expanding its entertainment offerings with the debut of the Central Valley's first Topgolf Swing Suite, set to open this April. The new attraction will bring the thrill of Topgolf's high-tech simulators to a luxury lounge setting, offering visitors a unique mix of friendly competition, fun and top-tier hospitality.

The Topgolf Swing Suite at Chukchansi Gold will feature two high-tech simulators, allowing guests to enjoy Topgolf's signature target-style challenges and a variety of interactive virtual games, including PGA Tour Golden Tee Live, football, hockey, baseball and even zombie dodgeball. Players can also tee off on world-renowned courses like Pebble Beach and St. Andrews, bringing the excitement of championship golf into a cutting-edge simulator.

With crystal-clear visuals and responsive gameplay, the large digital screens and advanced AV technology ensure every swing, pass, and shot feels precise and dynamic. Each simulator can accommodate up to eight players, making it the perfect setting for a casual hangout, a night out with friends, or a competitive showdown.

In addition to gameplay, the Swing Suite will include a comfortable lounge area where guests can relax between rounds.

"We are always looking for fresh, exciting ways to elevate our guest experience, and the Topgolf Swing Suite is the perfect addition," said Deann Kamalani, Director of Marketing at Chukchansi Gold Resort & Casino.
