CHUKCHANSI GOLD BLOOD DRIVE HELPS SAVE NEARLY 450 LIVES THROUGH CENTRAL CALIFORNIA BLOOD CENTER

COARSEGOLD, CA – June 2, 2025 - [Chukchansi Gold Resort & Casino](#) continued its legacy of philanthropy by hosting a blood drive to support the Central California Blood Center earlier this month. Approximately 310 team members attended the drive at Chukchansi Gold Resort & Casino, enabling the Central California Blood Center to save nearly 450 local lives as a direct result of the Chukchansi blood donations.

Through its [Chukchansi Cares](#) charitable giving program, Chukchansi Gold continuously aims to make a positive difference in the lives of others in the areas of local community, health and human services, culture and education. The program donates thousands of dollars to local nonprofit organizations every year, in total giving over \$21 million in charitable dollars toward community benefit programs and initiatives.

"We're incredibly proud of our team members who continue to show up and support life-saving causes like this," said Christopher Mavroudis, Human Resources Director at Chukchansi Gold Resort & Casino. "Their generosity helps fuel the mission of the Central California Blood Center, and it reflects the powerful culture of giving we foster through Chukchansi Cares."

Chukchansi's philanthropic efforts and encouragement for team members to get involved in the community is one of the many reasons the resort has been named the People's Choice Best Place To Work year after year.
